

DOOR CREEK CHURCH STOCK GIFT INFORMATION AND INSTRUCTIONS

Make a gift of publicly-traded securities to Door Creek Church (DCC) and potentially save income tax and capital gains tax, too.

A gift of publicly-traded securities could be right for you if...

- You own publicly-traded securities that you have owned for at least one year.
- Some of these securities have increased in value since you bought them.
- Some of these securities may provide you with little or no income.
- You would like to make a gift to Door Creek Church.

How It Works:

You transfer shares of one or more publicly-traded securities, such as stocks, bonds, and mutual funds to DCC. (Do not liquidate them before the transfer. Call us for help.)

Follow the instructions below to arrange your transfer. Call or write if you have questions or need help.

Your broker will need the following information:

- DCC's broker: Charles Schwab & Company
- DCC's DTC Clearing: 0164, code 40
- DCC's Account Name: Door Creek Church Inc.
- DCC's Account Number: 3045-7718
- DCC's Federal Tax ID number: 39-1249087
- Name of stock to be transferred
- Number of shares to be transferred

Please provide the following information via mail or email to Leigh Feldmann at lfeldmann@doorcreekchurch.org. Without this information, the transfer will show up anonymously without any information:

- Your name, address, phone, and email
- Name and contact information of your brokerage firm
- Full name of stock being transferred (not just stock code)
- Number of shares being transferred
- Anticipated date of transfer
- Information on how your donation should be designated

Thanks for your generosity towards advancing God's work through Door Creek Church.
